October 8th, 1914.

Mr. Alb. Roweike,
c/o Henry Roweike, Inc.,
106-110 Seventh Avenue,
New York.

Dear Sir:-

Your letter of October 5th with bill for \$5.00 has just been received. I will send you a check for the bill as soon as I can secure it from our Treasurer, who is out of town just now.

There was an article in the New York Press either September 28rd or September 24th regarding this Society's exhibition, which you failed to send me, and I have received several other articles from New York and Boston papers which you overlooked.

I believe that when I sent you this Society's subscription in February last, I directed that you send us clippings regarding this Society. I think in future it would be well in addition to them to send anything relating to numismatics, which includes coins and medals.

Very truly yours,

Secretary.

Dear Sir:-

I acknowledge receipt of your favor of the 6th, and thank you for the renewal of your order, and also for your kind promise that check will be sent as soon as your Treasurer returns. I hand you enclosed the article which appeared in the New York Press Sept. 24th, and I am absolutely at a loss to understand why that notice should not have reached you before this. I instructed the readers to be careful and keep a sharp lookout for future notices, in fact I have given orders to send you everything relating to numismatics including coins and medals. I remain,

Yours faithfully,
